### NOTICES

97. Materials submitted under this Paragraph shall be accompanied by a cover letter. For all notices to EPA, in addition to sending the notice to EPA by email, Defendants shall register for the CDX electronic system and upload a notice that does not contain CBI at [https://cdx.epa.gov/epa\\_home.asp](https://cdx.epa.gov/epa_home.asp). For all notices to CARB, Defendants shall send them by e-mail or by file transfer protocol (FTP), or by mail if the notice is too large to transmit electronically. All Emission Modification Proposal Reports, OBD Interim Reports, documents and data submitted pursuant to Paragraph 19 (Subject Vehicle In-Use Testing), documents and data submitted pursuant to Appendix A, Paragraph 14 (Approved Emission Modification and Vehicle Modifications), and all revisions and amendments thereto, shall be submitted (1) on an electronic data site hosted by Daimler AG that is accessible to the United States, EPA, CARB, and California at all times until 60 Days after Termination of this Consent Decree, and from which the United States, EPA, CARB, and California are able to download all data hosted on that site, with a letter that does not contain CBI providing notice of the upload submitted concurrently via email to the United States and CARB and via CDX and email to EPA; and (2) on a hard disk that must be mailed to the addresses for the United States, EPA, and CARB specified below no later than the date that the next set of semi-annual reports are due after the relevant data has been uploaded to the data site (the first hard disk submitted after the Effective Date shall include all Emission Modification Proposal Reports, OBD Interim Reports, documents and data submitted pursuant to Appendix A, Paragraph 14 (Approved Emission Modification and Vehicle Modifications), and all revisions and

amendments thereto submitted as of the applicable date for that semi-annual report (except that only the final version of any Emission Modification Proposal Report that was submitted on an iterative basis shall be included), including those submitted during the period prior to the Effective Date), and an email specifying the method of mailing and tracking information shall be sent to the addresses below. If there is any discrepancy between the information submitted to the electronic data site and the information submitted on the hard disk, the information submitted to the data site shall control. Any notice that cannot be uploaded to CDX or the Daimler-hosted electronic data site or transmitted via email or via a secure server shall be provided in writing via overnight mail (and if any attachment is voluminous, it shall be provided on a disk, hard drive, or other equivalent successor technology) to the addresses below:
